A word about WMCKA events

These events are gatherings of paddlers who share an interest in kayaking and spending social time together. They are open to individuals of any (or no) skill level. There are no leaders, lifeguards or anyone else responsible for the safety of those who choose to participate. Everyone is responsible for his/her own safety and is expected to use common sense and good judgement both on and off the water. Neither WMCKA nor any of its' individual members can be responsible for the safety of those attending club events.
